Noel Anderson
Community Planning & Development Director
City of Waterloo, Iowa

Dear Noel,

This is to confirm that the newly constructed Sandbagging Building for the City of Waterloo will be designed to meet the current State building energy code and Energy Star standards.

As the Building Official / Building Maintenance Supervisor for the City of Waterloo, I will be in charge of the specifications and construction process for the project, and will work to ensure the design meets these standards.

Sincerely,

Deb Anderson
Building Official / Maintenance Supervisor
